

Personalized Brick Fundraiser

The Freehold Township Heritage Society has a newly erected flagpole with an 11'x11' brick base outside of the Oakley Farm House Museum. The bricks within the 10'x10' center can be engraved and will provide the Heritage Society an opportunity to continually raise funds to support its many properties including the Oakley Farm House, Georgia Road School House, and the West Freehold School House. Bricks can be engraved in remembrance of a loved one, in the name of a supporter(s) of the Heritage Society, a business name, or something meaningful to you.

The cost of each personalized brick is \$140.

Please fill in the table at the bottom with what you want engraved. Mail the form and your check made payable to: Freehold Township Heritage Society to the address below and allow 4-6 weeks for the brick to be installed.

You will receive two emails: One when your brick order has been placed and a second when the brick is installed at the Oakley Farm House on the corner of Oakley and Wemrock Roads.
