- - - R E S O L U T I O N - - -

WHEREAS, the implementation of Assembly Bill A-1109 (also called “Stephen Komninos’ Law”) would improve protections for individuals with developmental disabilities by providing increased transparency of investigations conducted in connection with an allegation of abuse, neglect or exploitation of individuals with developmental disabilities; and

WHEREAS, Assembly Bill A-1109 was created to honor the memory of Stephen Komninos, an individual with developmental disabilities who died at the age of 22 while under the care of a private licensed facility for persons with developmental disabilities in Haddonfield, New Jersey; and

WHEREAS, the adoption of Assembly Bill A-1109 provides for six bi-monthly unannounced site visits to be conducted at any facility that houses individuals with developmental disabilities, including but not limited to any public or private agency, organization, or institution providing care to the developmentally disabled; and

WHEREAS, upon adoption of Assembly Bill A-1109, the Commission of Human Services or the Commissioner’s designee is required to designate members of the public to serve as advocates for individuals with developmental disabilities and staff members of the public to serve as advocates for individuals with developmental disabilities, and staff members from the Special Response Unit in the Department of Human Services to participate in the bi-monthly unannounced visits. A member of a law enforcement agency would also participate in the visits, which would be conducted to determine if the patients/residents of said organization are being subject to abuse, neglect or exploitation by a caregiver; and

WHEREAS, this Bill also requires the Commissioner or his/her designee to provide written notification to the guardian or an authorized family member of an individual with a developmental disability receiving services from the Division of Developmental Disabilities, of any injury to the individual with a development disability, as soon as possible, but no later than one hour after the occurrence of the injury; and
