RE: Pet Shop Disclosure Act

Recently, the Legislature passed the Pet Shop Disclosure Act which goes into effect on June 1, 2015. This law requires pet shops to prominently display breeder information on their premises. In addition, it requires every pet shop to annually submit information to the municipality in which it is located and licensed. Please note that municipalities need to do nothing further than retain the report and information.

This information submission requirement needs to be added to our ordinances. We have drafted amended ordinance provisions which we believe should be made to the ordinances in order to reflect compliance with the Pet Shop Disclosure Act. Once you have had an opportunity to review the proposed changes, we will prepare the ordinance in the appropriate format for introduction. The ordinance draft that has been attached is for informational purposes only and should not be considered for introduction purposes in that the drafts we have given you are only to show you how it fits into the existing Township code.

If you have any further questions with regard to this matter, please do not hesitate to contact me.
