If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

Date of Maturity: November 1, 20__ CUSIP:

The TOWNSHIP OF FREEHOLD, a municipal corporation of the State of New Jersey, (the "Township") hereby acknowledges itself indebted and for value received promises to pay to Cede & Co. or registered assigns, the sum specified above as the Principal Amount on the date specified above as the Date of Maturity, upon presentation and surrender of this Bond, and to pay to the registered owner hereof interest on such sum, from the Date of Bond specified above until the Date of Maturity specified above, at the rate of ____ and _____ Hundredths per centum (____%) per annum payable on May 1, 2016 and thereafter semi-annually on the first day of November and May in each year. Principal of this Bond will be paid in lawful money of the United States of America, at the administration office of the Township in Freehold, New Jersey. Interest on this Bond will be payable in lawful money of the United States of America by check or draft mailed on such interest payment date to the registered owner hereof as shown on the books of the Township kept for such purpose by the Chief Financial Officer of the Township (the "Bond Registrar") as of the fifteenth day of the month preceding the month in which the payment of interest is to be made.

All of the bonds, of which this Bond is one, shall be initially issued as one fully registered bond for each maturity in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"). Notwithstanding any other provision herein to the contrary, so long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC in accordance with the provisions of the DTC Letter of Representations executed by the Township and DTC relating to the Bonds. Disbursal of such payments to the DTC participants is the responsibility of DTC, and disbursal of such payments to the beneficial owners of the Bonds is the responsibility of the DTC participants.

The Bonds maturing on or prior to November 1, 2025 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after November 1, 2026 shall be subject to redemption prior to their respective maturity dates, on or after November 1, 2025 at the option of the Township, either in whole or in part at

any time in any order of maturity at one hundred percent (100%) of the principal amount of the Bonds being redeemed (the "Redemption Price"), plus in each case accrued interest thereon to the date fixed for redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Township, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the Township determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by the Township by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

This Bond is transferable only upon the books of the Bond Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Township duly executed by the registered owner or such duly authorized attorney, and thereupon the Township shall issue in the name of the transferee a new bond or bonds of the same aggregate principal amount, series, designation, maturity and interest rate as the surrendered bond. The Township and any paying agent of the Township may treat and consider the person in whose name this Bond is registered as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal and interest due hereon and for all other purposes whatsoever.

This Bond is one of an authorized issue of bonds of the Township and is issued pursuant to the Local Bond Law, constituting Chapter 2 of Title 40A of the Revised Statutes of the State of New Jersey, a resolution of the governing body of the Township entitled: "Resolution Combining Bonds Aggregating the Principal Sum of \$13,727,000 Authorized by Six Bond Ordinances Heretofore Adopted to Finance Part of the Cost of Various General Improvements in the Township of Freehold, County of Monmouth, New Jersey Into One Consolidated Issue of Bonds and Providing for the Form, Maturities and Other Details of Said Consolidated Issue," adopted November 10, 2015 and by virtue of certain bond ordinances referred to therein.

The full faith and credit of the Township are hereby irrevocably pledged for the punctual payment of the principal of and interest on this Bond according to its terms. This Bond shall not be or be deemed to be a debt or liability of the State of New Jersey or a pledge of the faith and credit of the State of New Jersey.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, to have happened or to have been performed precedent to or in the issuance of this Bond exist, have happened and have been performed, and that the issue of bonds of which this is one does not exceed any limitation imposed thereon by said Constitution or statutes.

In the event the Township determines that the beneficial owners of the Bonds (the actual purchasers of the Bonds) shall be able to obtain certificated bonds, the Township shall notify DTC of the availability of bond certificates. In such event, the Township will appoint a paying agent and the Township will issue, transfer and exchange bond certificates in appropriate amounts as required by DTC and others. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving a reasonable amount of notice in writing to the Township. In the event of such determination, if the Township fails to identify another qualified securities depository as successor to DTC, the Township will appoint a paying agent and the Township will issue and deliver replacement bonds in the form of fully registered certificates. Whenever DTC requests the Township to do so, the Township will cooperate with DTC in taking appropriate action (a) to make available one or more separate certificates evidencing the bonds to any DTC participant (participants of DTC) having bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the bonds.

IN WITNESS WHEREOF, THE TOWNSHIP OF FREEHOLD has caused this Bond to be executed in its name by the manual or facsimile signatures of its Mayor and its Township Chief Financial Officer, and its corporate seal (or facsimile thereof) to be affixed, imprinted or reproduced hereon, and this Bond and said seal to be attested by the manual or facsimile signature of the Township Clerk, and this Bond to be dated the 11th day of December, 2015.

Optional Redemption Provisions

The Bonds maturing on or prior to November 1, 2025 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after November 1, 2026 shall be subject to redemption prior to their respective maturity dates, on or after November 1, 2025 at the option of the Township, either in whole or in part at any time in any order of maturity at one hundred percent (100%) of the principal amount of the Bonds being redeemed (the "Redemption Price"), plus in each case accrued interest thereon to the date fixed for redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the Township, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the Township determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by the Township by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

Book-Entry-Only System

As long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC, which will credit payments of principal of and interest on the Bonds to the DTC participants as listed in the records of DTC as of each next preceding April 15 and October 15, respectively (the "Record Dates" for payment of interest on the Bonds), which participants will in turn credit such payments to the beneficial owners of the Bonds.

All bidders of the Bonds must be participants of The Depository Trust Company, New York, New York ("DTC") or affiliated with its participants. The Bonds will be issued in fully registered form, and when issued will be registered in the name of and held by Cede & Co., as the registered owner thereof and nominee for DTC, an automated depository for securities and clearinghouse for securities transactions.

Individual purchases of beneficial ownership interests in the Bonds will be made in book-entry form (without certificates) in the denomination of \$1,000 each or any integral multiple thereof. It shall be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire and the denomination of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for the Bonds or the Township determines that the beneficial owners of the Bonds be able to obtain bond certificates, the Township will appoint a paying agent and will issue and deliver replacement Bonds in the form of fully registered certificates.

Electronic Bidding Procedures

Bids may be submitted electronically via PARITY in accordance with this Notice of Sale, until 11:00 a.m., New York City time, on November 24, 2015, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. The Township may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted directly to the Township and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the Township, the terms of the Proposal for Bonds and this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the Township, and the Township shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the Township or information provided by the bidder.

3. The Township may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (New York City Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the Township as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposal for Bonds, whether by hand delivery or electronically via Parity, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure access to any qualified prospective bidder, and neither the Township nor Parity shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The Township is using PARITY as a communication mechanism, and not as the Township's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the Township harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Bid Specifications

Each Proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for and the rate or rates named must be multiples of one-eighth or one-twentieth of one per centum. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the rates that may be named. The difference between the highest and lowest rates of interest named in the Proposal shall not exceed three percent (3%). Each Proposal submitted must be for all of the Bonds and the purchase price specified in the proposal must be not less than 100% of the aggregate par value of the Bonds or for more than 102% of the aggregate par value of the Bonds.

Award, Delivery And Payment

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost. Such true interest cost shall be computed, as to each bid, by doubling the semiannual interest rate (compounded semiannually) necessary to discount

the debt service payments from the payment dates to the date of the Bonds and the price bid, excluding accrued interest to the delivery date. No Proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest true interest cost to the Township under any legally acceptable proposal. If two or more such bidders offer to pay the lowest true interest cost, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Bonds are awarded (in the manner specified above) is herein referred to as the "Successful Bidder."

It is expected that delivery of the Bonds to DTC and payment for the Bonds will take place on or about, December 11, 2015 at the offices of Gibbons P.C., bond counsel to the Township ("Bond Counsel"), in Newark, New Jersey or at such other place as may be agreed upon with the Successful Bidder. The Bonds will be delivered to DTC in single denominations for each maturity of each type of bond. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Change of Bid Date and Closing Date

The Township reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on Thomson Municipal Market Monitor ("TM3") (www.tm3.com). Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their telecopier numbers to the Chief Financial Officer of the Township at (732) 294-2016 by 12:00 Noon, New York City time, on the day prior to the announced date for receipt of bids. In addition, the Township reserves the right to make changes to this Notice of Sale. Such changes will be announced on the TM3.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New York City time, on the last business day prior to any announced date for receipt of bids, and an alternative sale date and time will be announced via TM3 by Noon, New York City time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the Township will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 at the time the date and time for receipt of bids are announced.

Right To Reject Bids; Waive Irregularities

The right is reserved to reject all bids, and any bid not complying with the terms of this Notice of Sale will be rejected. The Township reserves the right to reject any or all

Proposals and so far as permitted by law, to waive any irregularity or informality in any or all Proposals.

Good Faith Deposit

A good faith deposit (the "Deposit"), in the form of an electronic transfer of immediately available federal funds in accordance with the wiring instructions contained in the immediately succeeding paragraph, in the amount of \$274,540 is required for each bid for the Bonds to be considered. A bidder shall transmit such funds to the following::

Wells Fargo Bank, N.A.
ABA No.: 121000248
Account No.: 4122353600
Account Name: Township of Freehold Current Account
Contact: Catherine M. Campbell, Chief Financial Officer
Phone: (732) 294-2016

Such funds must be received in the account identified immediately above no later than 11:00 a.m. New York City time on the date for receipt of bids, and must be accompanied by detailed wiring instructions for the return thereof in the event that such bidder is not the Successful Bidder. Please note that the contact information provided immediately above should be used by bidders for the purposes of confirming receipt of electronic transfer of funds and the transmittal of instructions for the return of such electronic transfers of funds in the event such bidder is not the Successful Bidder. Electronic transfers of funds of unsuccessful bidders for the Bonds will be returned upon award of the Bonds. It is the intent of the Township that electronic transfers of funds will be returned via wire transfer to the unsuccessful bidders not later than 5:00 p.m. on the date for receipt of bids, provided that wiring instructions have been provided by such unsuccessful bidder at the time of transmission of the Deposit to the Township. The Township shall not bear any liability for any delay that may occur in the return of an electronic transfer of the Deposit to an unsuccessful bidder. Interest earned on the Deposit will be credited to the Township and will not be available to the Successful Bidder for the Bonds.

The Deposit of the Successful Bidder will be collected and the proceeds thereof retained by the Township to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the Successful Bidder shall fail to comply with the terms of its respective bid, the proceeds thereof will be retained as and for full liquidated damages. Award of the Bonds to the Successful Bidder or rejection of all bids is expected to be made within five hours after opening of the bids, but such Successful Bidder may not withdraw its Proposal for Bonds until after 5:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance, any purchase of such policy shall be at the sole option and expense of the Successful Bidder. If the Bonds are to be insured, the Successful Bidder shall pay the premium therefor prior to the delivery of the Bonds. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds for the purchase of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for the failure or refusal of the Successful Bidder to accept delivery of and pay for the Bonds. The CUSIP Service Bureau charges for the assignment of CUSIP numbers on the Bonds shall be the responsibility of and shall be paid for by the Successful Bidder.

Undertakings of the Successful Bidder

THE SUCCESSFUL BIDDER SHALL MAKE A BONA FIDE PUBLIC OFFERING OF THE BONDS AT THEIR RESPECTIVE INITIAL REOFFERING PRICES AND SHALL PROVIDE THE RELATED CERTIFICATION DESCRIBED BELOW.

The successful bidder shall within thirty (30) minutes after being notified of the award of the Bonds, advise the Township in writing (via facsimile transmission) of the initial reoffering prices to the public of each maturity of the Bonds (the "Initial Reoffering Prices"). The successful bidder must, by facsimile transmission or delivery received by the Township within twenty-four (24) hours after notification of the award, furnish the following information to the Township to complete the Official Statement in final form, as described below:

- A. Selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars, based on the expectation that all the Bonds are sold at the prices or yields at which the successful bidder advised the Township that the Bonds were initially offered to the public).
- B. The identity of the underwriters if the successful bidder is part of a group or syndicate.
- C. Any other material information that the Township determines is necessary to complete the Official Statement in final form.

After the award of the bonds, the Township will prepare copies of the final Official Statement and will include therein such additional information concerning the reoffering of the bonds as the successful bidder may reasonably request. The successful bidder will be responsible to the Township in all aspects for the accuracy and completeness of information provided by such successful bidder with respect to such reoffering.

SIMULTANEOUSLY WITH OR BEFORE DELIVERY OF THE BONDS, THE SUCCESSFUL BIDDER SHALL FURNISH TO THE TOWNSHIP A CERTIFICATE ACCEPTABLE TO BOND COUNSEL (A COPY OF THE FORM OF SUCH CERTIFICATION IS AVAILABLE UPON REQUEST FROM BOND COUNSEL AT TELEPHONE NO. (973) 596-4777) TO THE EFFECT THAT (I) THE SUCCESSFUL BIDDER HAS MADE A BONA FIDE PUBLIC OFFERING OF THE BONDS AT THE INITIAL REOFFERING PRICES, (II) AS OF THE DATE OF THE SALE OF THE BONDS THE SUCCESSFUL BIDDER REASONABLY EXPECTED TO SELL A SUBSTANTIAL AMOUNT OF THE BONDS TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE INITIAL REOFFERING PRICES, AND (III) SUBSTANTIAL AMOUNTS OF THE BONDS WERE SOLD TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE INITIAL REOFFERING PRICES. Bond counsel advises that (i) such certificate must be made on the best knowledge, information and belief of the successful bidder, (ii) the sale to the public of 10% or more in par amount of the bonds of each maturity at the initial reoffering prices would be sufficient to certify as to the sale of a substantial amount of the bonds, and (iii) reliance on other facts as a basis for such certification would require evaluation by bond counsel to assure compliance with the statutory requirement to avoid the establishment of an artificial price for the Bonds.

Legal Opinions

The obligations hereunder to pay for and to accept delivery of the Bonds shall be conditioned on the availability and the delivery at the time of delivery of the Bonds of the approving opinion of the law firm of Gibbons P.C., Newark, New Jersey, bond counsel to the Township, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the Township, and that all the taxable property therein will be subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the principal of the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. The obligations hereunder to pay for and to accept delivery of the Bonds shall be further conditioned on the availability and delivery to the Successful Bidder, at the time of delivery of the Bonds, of (i) certificates from the Township Chief Financial Officer in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor and the fact the Bonds will not be arbitrage obligations within the meaning of the Code; (ii) a

certificate from the Township Attorney, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; and (iii) a certificate from the Township Chief Financial Officer, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that to the best of his knowledge of such and belief, and after reasonable investigation: (1) neither the Official Statement relating to the Bonds nor any amendment, or supplement thereto contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; (2) since the date of the Official Statement (or the date of the most recent amendment or supplement thereto) no event has occurred which would make the statements therein untrue or, in the light of the circumstances in which they were made, misleading, and (3) there has not been any material adverse change in the operation or financial affairs of the Township since the date of such Official Statement.

Concerning The Preliminary Official Statement

The Township has issued an Official Statement with respect to the sale of the Bonds in preliminary form (the "Preliminary Official Statement") which the Township has deemed final as of its date for purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 ("Rule 15c2-12"), except for certain omissions permitted thereunder and except for changes permitted by other applicable law.

The Preliminary Official Statement may be accessed via the Internet at www.i-dealprospectus.com. A printed version is also available upon request made to the Chief Financial Officer of the Township at the Township Hall, One Municipal Plaza, Freehold, New Jersey 07728 (telephone (732) 294-2016).

Continuing Disclosure

In order to assist the successful bidder in complying with Rule 15c2-12, the Township agrees to deliver on the Closing Date a Continuing Disclosure Certificate to be dated as of the Closing Date pursuant to which the Township shall agree to provide at the times and to the information repositories and other persons described in Rule 15c2-12 the financial or operating data required to be disclosed on a continuing basis pursuant to Rule 15c2-12.
