INSTRUCTIONS

1. GENERAL—For the purpose of these instructions, the term "farmland assessment" shall refer to valuation, assessment and taxation under the Farmland Assessment Act, C. 48, L. 1964, N.J.S.A. 54:4-23.1, et seq. Only one application form in duplicate shall be filed for each farm made up of contiguous land. Application form is to be filed with local tax assessor. If an entry is made in Section 2, line 4, Form WD-1 (woodland data form) must also be filed with this application.
2. GENERAL QUALIFICATIONS—Land may be eligible for "farmland assessment" when it meets the following qualifications:
 - a. It has been actively devoted to agricultural or horticultural use for at least the 2 successive years immediately preceding the tax year for which "farmland assessment" is requested.
 - b. The area of the land actively devoted to agricultural or horticultural use, exclusive of the land upon which the farmhouse is located and such additional land as may be actually used in connection with the farmhouse, is not less than 5 acres.
 - c. Gross sales, fees, or payments average at least \$500 annually on the first 5 acres and on all acreage above 5 acres average sales of \$5.00 per acre on farmland and \$0.50 per acre on woodland and wetland. (See N.J.S.A. 54:4-23.5)
 - d. Application by the owner for "farmland assessment" has been made on or before August 1 of the year immediately preceding the tax year (See N.J.S.A. 54:4-23.13a and 54:4-23.6)

SECTION 1-IDENTIFICATION INFORMATION—Complete the information noted under this Section for items 1 through 8.

For item #1, "Owner's Name." List every individual, partnership or corporation having an interest in the land as owner.

For item #5, "Blocks and Lots." State block(s) and lot(s) as shown on the official tax map or page(s) and line(s) on the current year's tax list that make up a farm unit of contiguous land. This information may be obtained from your tax bill.

SECTION 2-BREAKDOWN OF LAND USE CLASSES—Complete the information noted under this Section for items 1 through 12.

For item #1, "Cropland Harvested." This is land that is the heart of a farming enterprise and represents the highest use of land in agriculture. All land from which a crop was harvested in the current year falls into this category.

For item #2, "Cropland Pastured." This is land that can be and often is used to produce crops but its maximum income may not be realized in a particular year.

For item #3, "Permanent Pasture." This is land that is not cultivated because its maximum economic potential is realized from grazing or as part of erosion control programs. Animals may or may not be part of the farm operation for land to be qualified in this category.

For item #4, "Non-appurtenant Woodland." This is woodland devoted exclusively to the production for sale of trees and forest products, except for Christmas trees which should be entered in the cropland harvested classification (item #1). Also woodland which is not "supported and subordinate" to land entered in land use classification #1, 2, or 3 should be entered under this classification (item #4). The owner of this classification of woodland must submit information noted under excerpt N.J.A.C. 18:15-2.7.

For item #5, "Appurtenant Woodland." This is woodland which is not devoted to the production for sale of trees and forest products, but nevertheless can be eligible for farmland assessment on the basis of being "beneficial to a tract of land" which is 5 acres or more and is otherwise actively devoted and qualified farmland (land uses #1, 2, or 3). Generally, only woodland acreage less than the otherwise actively devoted qualified farmland acreage (land uses #1, 2, or 3) will be considered as "appurtenant woodland". Woodland acreage exceeding the otherwise actively devoted farmland should only be entered as "appurtenant woodland" when proof of its benefit to the otherwise actively devoted farmland can be explained and substantiated to the assessor.

For item #6, "Acres Used for Boarding, Rehabilitating or Training Livestock." For this acreage to be deemed actively devoted to an agricultural use it must be contiguous to land which otherwise qualifies for farmland assessment.

For item #8, "Land Under And Land Used in Connection With Farmhouse." This is land on which a farmhouse is located, together with such land area as may be devoted to lawns, flower gardens, shrubs, swimming pools, tennis courts and like purposes related to the use and enjoyment of the farmhouse. This is land not deemed to be in agricultural or horticultural use and, therefore, is assessed and taxed in accordance with the true value standard.

For item #9, "All Other Land Not Devoted To Agricultural Or Horticultural Use." This is land other than used in connection with the farmhouse that is not devoted to an agricultural or horticultural use nor is it necessary to support or enhance land actively devoted to an agricultural or horticultural use. This land will be assessed and taxed in accordance with the true value standard.

For item #12 enter "YES" or "NO".

For purposes of this application certain land uses shall be considered to be in the categories as noted below:

Land Use	Category	Land Use	Category
Land under farm buildings	Cropland Harvested	Nurseries, Christmas trees	Cropland Harvested
Swampland, wetland	Appurtenant Woodland	Crops grown under glass	Cropland Harvested
Lakes, ponds, streams, irrigation ditches	Appurtenant Woodland	Wood and forest products	Non-appurtenant Woodland
Land in government programs	Cropland Harvested	Seasonal Farm Markets	Cropland Harvested
		Agricultural Labor Housing	

SECTION 3-CURRENT YEAR FARMING ACTIVITY—Complete this Section by inserting the current year acreage or other information that is specified.

SECTION 4-SIGNATURE AND VERIFICATION—In the case of multiple ownership, one of the owners may sign on behalf of the other co-owners, except corporate co-owners. Any such signer will be presumed to have authority to sign in behalf of the other non-corporate owners. In the case of a corporate owner, the full name of the corporation must be separately filled in, accompanied by the signature and the title of the corporate officer authorized to sign the application in its behalf.

CHANGE IN USE-ALL APPLICANTS PLEASE NOTE

- a. When land, which is in agricultural or horticultural use and is being valued under the Farmland Assessment Act, is applied to a use other than agricultural or horticultural, it is subject to additional taxes, referred to as roll-back taxes, in an amount equal to the difference, if any, between the taxes paid or payable on the basis of "Farmland Assessment" and the taxes that would have been paid or payable had the land been valued, assessed and taxed as other land in the taxing district.
- b. In the case of a change in use, the roll-back taxes shall be applicable in the year in which the change took place and in such of the 2 tax years, immediately preceding, in which the land was valued, assessed and taxed under the Farmland Assessment Act.
