

# HAVE YOU TESTED YOUR HOME FOR **RADON**?

**Radon** gas has no smell, taste, or color, yet it is the **most common cause of lung cancer** in people who never smoked.

**THE ONLY WAY TO KNOW IF YOU HAVE A RADON PROBLEM IS TO TEST FOR IT.**

*Residents from Freehold Township/Borough and Wall Twp. can contact **Freehold Area Health Department** at **732-294-2060** to obtain **FREE** test kits.(while supplies last)*

Support for this campaign was provided by a grant from the NJ Department of Environmental Protection (DEP).
