Player / Dinner Registration

Thank you for considering a sponsorship at our 27th Annual Ray Kershaw Memorial Golf Outing. As our major fundraiser, this event provides the necessary funding that allows us to offer programs that engage and educate our youth and our community on the issues surrounding substance use prevention.

Both nationally and locally, we are experiencing unprecedented opioid related drug overdoses that will have a long-lasting impact on our society. Whether directly or indirectly, we have all suffered a loss because of Substance Use Disorder. The support that we receive allows us to fund programs in our schools and gives children the knowledge and skills that they need to resist peer pressure and to make better decisions.

Thank you for your consideration and for supporting our mission: To meet the need for comprehensive, coordinated substance use awareness planning and programming for the residents of Freehold Township and Freehold Borough, the Alliance conducts needs assessments, produces an annual prevention plan and advocates for enhanced prevention services based on community needs and priorities.

Regards,

Members of the Alliance
