Re: Property Inspections

Dear Resident,

As noted in the mailing, which you recently received from my office, Realty Data Systems has been engaged to inspect properties within Freehold Township.

It is respectfully requested that the bearer of this letter, who is also carrying identification as an employee of Realty Data Systems, be permitted to make the necessary inspection of your property, and that any requested information be furnished to accomplish this purpose.

Thank you in advance for your time and cooperation in this matter.

Sincerely,

Michael Imbriaco, CTA
Tax Assessor
