

FREEHOLD MUNICIPAL ALLIANCE TO PREVENT SUBSTANCE ABUSE

"Citizens Joined Together To Make Freehold A Healthier And Safer Place In Which To Live"

Spring 2018

Dear Valued Supporter,

A milestone is being reached on May 21st as the Freehold Municipal Alliance to Prevent Substance Abuse celebrates its 20th Anniversary of the Ray Kershaw Memorial Golf Tournament at Battleground County Club.

This tournament is our major source of income to support our local programming efforts. Our Alliance – a partnership between the communities of Freehold Township and Freehold Borough - develops annual prevention plans, provides substance abuse education and raises awareness within the communities. Although our emphasis is on our youth, together we work to promote a healthier and safer place for all of our residents to live.

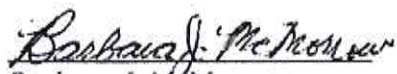

Please join us in our fight against opioid abuse by becoming a sponsor for the event. The attached brochure outlines all the opportunities that are available to you.

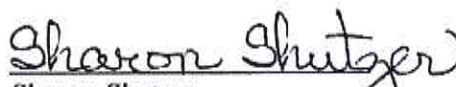

We expect a record number of participants to attend our golf event and even more to join us for our evening awards dinner featuring Sheriff Shaun Golden as our guest speaker.

You may also join us as participants in the golf tournament as together we tee off at Battleground Country Club in the fight against **opioid abuse** and substance addiction.

For further information, please contact Antoinette Ceciarelli, our Alliance Coordinator, at ACeciarelli@twp.freehold.nj.us or 732-294-5103.

Sincerely,

Barbara J. McMorro
