***For Official Use Only***

I, \_\_\_\_\_, certify that the dwelling at the above  
**(Fire Official)**

Referenced location has smoke detectors, carbon monoxide detectors, and a fire extinguisher installed and in working order as stated below:

- ( ) Smoke detectors are installed on each level of the dwelling as required, including basements: excluding attic or crawl space.
- ( ) Carbon monoxide detectors are installed and in working order as required.
- ( ) ABC fire extinguisher is installed in the kitchen as required.

This inspection shall be conducted by the Freehold Township Inspectors under the direction of the Fire Official. The detectors required above shall be located in accordance with NFPA 72: battery powered detectors are acceptable and are not required to be interconnected with exception to, homes constructed after January 1984 provided with AC powered and / or interconnected detectors.
